

# SUNSPORT

Inflatable Dinghies &  
Electric Outboards

The SunSport range of inflatable boats are available in three models: Slatted Floor Boat, All-Inflatable Boat and All-Inflatable RIB with Deep V-Bottom.

Ranging from 2.20 to 3.49m in length, the boats can carry up to 5 persons and can be powered by Mariner or Mercury outboards up to 15hp. These affordable, go-anywhere boats are easy to store without taking up a lot of valuable space as well as being easy to transport and launch.

#### **Carry Handles**

There are four carry handles positioned to make the dinghy easy to carry for one or two people.

#### **Rubbing Strake**

The strake is designed to take the knocks and provide the best protection possible for the inflated tube and deflect spray downwards.

#### **Well Equipped**

All SunSport inflatable's come equipped with oars, foot pump, repair kit, wooden seat and manometer.

# SF Range

2.2M - 2.4M - 2.6M

These simple, slatted floor dinghies are perfect for ship-to-shore trips. They are simple to inflate and pack up compactly to be stored. The broad wooden slats keep cost to a minimum, make assembly simple, and the slats provide a solid feel under foot. A robust seat and effective oar / rowlock assembly, makes rowing perfect for short haul trips.

- Orca 1100 Decitex Polymer tubing
- Euro-style tubes for more room
- 2 separate air chambers
- 4 easy grip handles
- Lightweight and easy to carry
- Motor mount plates
- Locking oars included as standard
- Removable wooden seat
- One way drain plug
- Robust rubbing strake

SF220

SF240

SF260

# AIB Range

2.3M - 2.7M - 2.9M - 3.2M

The flat air deck make these craft the ideal yacht tender. The 265-290-320 K have an inflatable keel to increase directional stability under power and when rowing. The air deck offers not only a robust flat surface to stand on, but also extra buoyancy in the craft. There is also an on deck strap to secure a fuel tank.

- Orca 1100 Decitex Polymer tubing
- Euro-style tubes for more room
- 3 separate air chambers
- 4 easy grip handles
- Motor mount plates
- Removable wooden seat
- Locking oars included as standard
- Lightweight and easy to carry
- One way drain plug
- Robust rubbing strake
- Fuel tank strap

AIB230

AIB265K

AIB290K

AIB320K

# ARIB Range

2.3M - 2.7M - 3.2M - 3.5M

The 230 and 270 are ideal yacht tenders / dinghies, where as the 320 and 350 are performance sports boats in their own right. All 4 craft have the same 2 compartment air deck, deep V hull shape and built in trim tabs / hull extensions, that improve performance and give additional buoyancy for heavy motor options. The deep V hull shape gives unrivalled ride and directional stability. There is an on deck strap to secure a fuel tank

- Orca 1100 Decitex Polymer tubing
- Euro-style tubes for more room
- 3 separate air chambers
- 4 easy grip handles
- Motor mount plates
- Removable wooden seat
- 3 towing eyes
- Locking oars included as standard
- Lightweight and easy to carry
- One way drain plug
- Deep V hull and trim tabs
- Robust rubbing strake
- Fuel tank strap

# Kayak Range

## 3.5M Narrow & Wide Body

These new SunSport Kayaks are built to give you lots of fun on the water without breaking the bank. There are two models both 3.5m long. The Narrow Beam model comes with a soft tail and a detachable outboard bracket (max 4hp), whilst the Wide Beam model has a solid transom that can take up to 6hp. They come complete with paddles to complete the package.

350NB

350WB

- Orca 1100 Decitex Polymer tubing
- Euro-style tubes for more room
- 3 separate air chambers
- Motor/tiller mount plates
- Removable inflatable seat
- Oars included as standard
- Lightweight and easy to carry
- Robust rubbing strake

# Electric Outboards

32lbs - 40lbs - 46lbs - 55lbs

The low cost and green way to power your tender. Ideal for fishing on rivers and lakes as well as sheltered coastal waters. The 12 volt engines just need a charged battery and away you go. Performance varies depending on the boat used, but 18 pounds of thrust will give approximately the same drive as a 1hp petrol engine. They are almost completely silent so won't disturb the fish, and with fully variable speed they can be used for slow trolling. Lightweight and portable they are ideal for those weekends away.

- 28" and 30" shaft length
- Transom mount
- 6" telescopic adjustable handle
- 5 forward speeds, 3 reverse
- Salt/fresh water use
- Anti-corrosion protection
- Twist tiller control
- 2 blade weedless propeller
- 10 point LED battery indicator
- 12V
- Composite shaft
- CE certificate and RoHS certificate.
- 2 Year Warranty

SS-32/28 32lbs of thrust  
SS-40/28 40lbs of thrust  
SS-46/30 46lbs of thrust  
SS-55/30 55lbs of thrust

To suit 15" to 20" transom

## 2.5HP to 15HP 4-stroke

If you're looking for clean, quiet and reliable power, nothing performs like a Mariner or Mercury four-stroke outboard. No other engines offer the same combination of smooth, smoke-free operation, proven technology and unparalleled corrosion resistance. No other engines offer the same heritage of race winning power.

Mariner and Mercury four-strokes offer a greater boating pleasure than ever before.
